

Applicant(s): Ross C Willoughby and Edward W Sheehan
Appn Title: Laminated Tube for the Transport of Gas-Phase Ions or Charged
Particles

Amendment A (continued) (page 2/2)

REMARKS

The above amendment is provided to change the title of the invention and in response to the statutory requirement that applicant insert a reference to applicant's PPA. In addition, to refer to related previously filed patents.

Very Respectfully,

A handwritten signature in black ink, appearing to read 'Ross C Willoughby', with a stylized, flowing script.
